RE: May 18 and 19 Tours of the Municipality of Anchorage Water & Wastewater Utility (AWWU) Girdwood, John M. Asplund, and Eagle River Wastewater Treatment Facilities

Dear Mr. Premo:

I would like to thank you and Kris Warren for our recent visits to the wastewater treatment facilities. We appreciated your accommodation of our schedule so that Mark Spano and the General Foremen could be available. I would also like to thank Mark Spano, Larry Holmes, Jack Knue, Johnny Womac, and all of the other staff and operators who took time out of their busy days to show us the facilities.

It was a pleasure to tour such well-run facilities. It is apparent that AWWU takes pride in its plants and their operation.

If you have any questions about our visits or about the upcoming NPDES permit renewals, please call me at 206-553-0176 or 1-800-424-4372, Ext. 0176 (toll-free). You can also contact me via email at olson.lisa@epa.gov.

Sincerely,
